

## Haberdashers Aske's Hatcham College

St. Asaphs Road, London SE4

### Case Study – New Sports Hall

The project brief consisted of a purpose built 600m<sup>2</sup> Sports Hall structure, together with ancillary and changing room accommodation.

The building was constructed on a challenging site, in terms of access across a playing field, yet was delivered successfully and provided a welcome facility for the College Trust.

Contract value was £1,150,000, based on a IFC98 form, with a contract period of 42 weeks.
